

# Index

## Numerics

10/100/1000BASE-T 2-2  
32-bit, 33 MHz PCI slot A-1  
64 bit, 66/33 MHz PCI slot A-1  
802.1Q VLAN ID 3-1  
802.1Q/1p VLAN tagging 3-1

## A

arp 1-2, 3-1

## C

Cat5 cable 2-2  
checksum offloading 3-1  
Compatible NETGEAR products 1-3  
Configuration Options 3-1  
Connection Status 2-14  
Connector  
    RJ-45 2-2  
Customer support 1-ii

## D

Direct Memory Access 1-2  
duplex mode 3-1

## E

Ethernet 1-1  
Ethernet frame size 1-2

## F

Fast Ethernet 1-1

features 1-2

Full-duplex operation 1-2

## G

Gigabit Ethernet 1-1

## H

Hardware Description 1-4

## I

IEEE 802.1Q 1-1  
IEEE 802.1Q VLAN 1-2  
IEEE 802.3 Ethernet 1-2  
IEEE 802.3ab Gigabit Ethernet 1-2  
IEEE 802.3u Auto Negotiation 1-2  
IEEE 802.3u Fast Ethernet 1-2  
Installation Instructions 2-3, B-1  
Installing the System Utility 2-15  
IP  
    checksum offload 3-2  
    number 2-16  
    transmit/receive performance 3-2

## J

Jumbo frames 3-1

## L

Layer 2 frames 1-1  
LEDs  
    description 1-4
